

SENIOR CAMP ONLINE: LIVING FAITH

Monday 3rd - Friday 7th August

11am on [Facebook](#) and [YouTube](#)

Throughout the week a new bible talk and interview will be posted each day as we think about what a *Living Faith* looks like for followers of Jesus. Study questions will also be provided for you and perhaps this would provide a good excuse to get together with friends or other young people in your church (following all social distancing guidelines of course!)

JUNIOR CAMP ONLINE: SUMMER SIGNPOSTS

Monday 10th - Friday 14th August

11am on [Facebook](#) and [YouTube](#)

We are excited to be hosting a 30 minute programme aimed at those aged 8-11. Each day we shall look at some of the amazing signs in John's gospel that point us to who Jesus is as God's Son. There will be music, quizzes, bible talks as well as a downloadable resource for families to enjoy together at home. Resources will be made available via a downloadable link.

These events are free and open to all so please do plan to tune into this two weeks of programmes for children and young people.

Campers – Get up and make time for the programmes each day and let your parents and friends know you are tuning in.

Parents – please set aside time to sit down with your children to watch or encourage your older children to tune in. You can also let family friends know about this by sharing the programme on social media.

Church Leaders – let your church family know about these programmes by promoting during your Sunday service or on your social media accounts. These will be great opportunities for families and groups to gather before the summer comes to an end. Relevant images are attached to help with that.

We hope you find our online programmes to be a huge benefit to you, your families and friends. If you need any more information please do not hesitate to contact me.
